VITALITY BLEND 1500 mg / 3 mL

Cat. No:	ONX-VITAL-1500-PEN
CAS No:	Glutathione: 70-18-8 NMN: 1094-61-7 Resveratrol: 501-36-0
PubChem CID	Glutathione: 124886 NMN: 14180 Resveratrol: 445154
Chemical Name:	Reduced L-Glutathione (GSH) + β-Nicotinamide Mononucleotide (β-NMN) + trans-Resveratrol
MG:	Glutathione: 500 mg NMN: 500 mg Resveratrol: 500 mg Total: 1500 mg / 3 mL

PHYSICAL AND CHEMICAL PROPERTIES

Molecular Formula:	Glutathione: $C_{10}H_{17}N_3O_6S$ NMN: $C_{11}H_{15}N_2O_8P$ Resveratrol: $C_{14}H_{12}O_3$
Molecular Weight:	Glutathione: 307.33 g/mol NMN: 334.22 g/mol Resveratrol: 228.24 g/mol
Storage:	According to finished-product manufacturer specification. Protect from light.
Chemical Structure:	Glutathione: H-γ-Glu-Cys-Gly-OH NMN: β-Nicotinamide Mononucleotide Resveratrol: trans-3,4′,5-Trihydroxystilbene

Caution: Product has not been fully validated for medical applications. For research use only.

ANALYTICAL DATA

Test Items	Specifications	Results
Appearance	Finished liquid solution — specification to be confirmed	Batch result required
Purity (HPLC):	≥99.0% for each active raw material	Batch result required
Identity / Component Content	Glutathione 500 mg; NMN 500 mg; Resveratrol 500 mg / 3 mL	Batch result required

Conclusion: Final batch release is subject to confirmation of analytical results against the stated specifications.

Caution: Product has not been fully validated for medical applications. For research use only.
